

Welcome to Table Tennis at Meadows School

Players of all ages and abilities are welcome, especially if you have played some table tennis before either purely for fun or as a league player and you want to start playing again after a break.

Two sessions operate every week:

Sundays: 10 am – 12.30 pm (extended hours when busy)

Wednesdays: 7.30 pm – 10.00 pm

For further information please see organiser contact details below.

We play in the Meadows sports hall with good lighting and have five tables. Sessions can be busy but there is usually plenty of table time for everyone.

If you want to improve your game there are always some experienced league players available to help. You may want to progress to league table tennis in the local WKTTA league, but there's absolutely no pressure to do so and many players come along purely for enjoyment and some exercise.

Most of the players are mature adults, but we also welcome juniors as well. Table tennis is a great sport because it can be played enjoyably at just about any level of fitness and ability and it's brilliant to see how players can progress with a few tips and guidance from experience players. Please come along and give it a try.

Meadows School

21 London Rd, Southborough, Tunbridge Wells, TN4 0RJ.

Wednesdays: Geoff Curtis
Email: geoffreycurtis57@yahoo.co.uk

Sundays: Paul Snaitth
Email: info@wkttta.org.uk

Directions: to find the sports hall, park in the main car park, go up the steps at the back of the car park and follow the path to the right a short distance to the sports hall
