

WKTTA 2016 AGM

WKTTA WINTER LEAGUE
TRANSITION TO HUB VENUE 2016-17
and beyond

WKTTA 2016 EGM
post AGM

This sheet will be update following comments at the AGM and will also include:
photographs of venue (car park, surrounding area, hall, storage, lighting)
venue hire and potential cost per team,
equipment cost,
potential fixture sheet
any other available relevant information

VENUES
Aim is to move into a hub venue capable of accommodating two divisions
i) on the same night
ii) on different nights
The venues will be provide a common early finish time playing on 1.5 tables per match
All venues must have equipment storage capacity

PROGRESSION PATH
step 1 - move to venue option 3 for season 2016/17 for one or both divisions
step 2 - consider move to venue option 2 for both divisions if available
or
consider move to venue option 1 for both divisions when becomes available
This pathway provides for the potential division scenarios, giving the option to move forward, or remain at an option, as best fits the actual or projected status of the winter league at any point in time

WKTTA EQUIPMENT
need to make available 25mm tables, nets and posts, table barriers, score boards

Step 1
6 tables 32 barriers 6 scoreboards

Step 2
further 3 tables 16 barriers 3 scoreboards for venue option 2
or
further 6 tables 32 barriers 6 scoreboards for venue 1

Option 1
The Skinners Kent Academy Primary
Tunbridge Wells A21 1/2 mile
very good facility and conditions up to 12 tables
hub venue for two divisions on same night (both divisions maximum of 9 teams, or combination of maximum of 10/7 teams)
also suitable for doubles match nights

availability yet to be confirmed (awaiting settling of in the new school before committing to external users)

ultimate single venue two divisions on same night

Option 2
Hill View Girls Grammar
Tonbridge A21 2 miles
very good facility and conditions up to 9 tables (subject to lighting upgrade)
hub venue for two divisions on separate nights (division maximum of 12 teams)
also suitable for doubles match nights

if funds for lighting ARE obtained
two nights per week from 7.30pm to 10pm
equipment storage available

earliest 2017/18 acceptable long term or transitional if want to have all teams on one night)

if funds for lighting NOT obtained

venue not suitable

Option 3
tn2 Community Centre
Tunbridge Wells A21 2 miles
good facility and conditions up to 6 tables
hub venue for one division on one night (division maximum of 9 teams)
also suitable for doubles match nights
Note:
possibly hub venue for two divisions on separate nights (divisions maximum of 9 teams) or otherwise as CLUB venue

available on Thursday nights from 7.30pm to 10pm
equipment storage available

available now acceptable long term if have two nights per week or transitional if only have one night per week

available on Monday nights from 8pm to 10pm
equipment storage available

if not used for winter league suitable for establishing club for recreational, development, coaching, potential league players or for WKTTA Development League

Option 4
The Skinners Kent Academy Secondary
Tunbridge Wells A21 1 mile
very good facility and conditions up to 9 tables
hub venue for one division on one night (maximum division of 12 teams)

available late February to May on Tuesday nights

not suitable unless becomes available in the future throughout the season

Current Position
Using existing club venues (inadequate as hub venues by capacity and or by conditions or location)

available through season differing home nights some not early finish

frees up existing club venues for increasing club night participation and development opportunities
